TO ALL REGION OPERATIONS MANAGERS:

Subject: September CAMEL Metal Match Promotion (item #462732)

We have an issue with U. S. Customs on our CAMEL pack matches (metal match). Until the issue is resolved, we believe the right thing for us to do is put all shipments for this promotion temporarily on hold status.

We are attempting to work through these issues with Customs at this time and hope to resume shipment in the near future.

Any CAMEL metal match offers received in the Field must be held and not placed at retail. This includes shipments of the metal match to direct accounts for the purpose of VAP shipments. The attached list indicates all shipments of metal match SKU's shipped to direct accounts and all Field Sales ship-to locations. These accounts should be contacted immediately to put a hold on any VAP shipments on this promotion to retail.

We will advise all ROU's as soon as possible as to the status of the CAMEL pack match promotion. We apologize for this inconvenience.

Program contact: Bill Duffy, ext. 5776
